Validation of Non Formal and Informal Learning (VNFIL)

Validation of Non-Formal and Informal Learning (VNFIL)

The Validation of Non-Formal and Informal Learning is a process which identifies, assesses and formally certifies the knowledge, skills and competences which individuals develop throughout their lives by means of participation in non-formal and informal learning.

By becoming a Validation Assessment Centre and following the appropriate assessment procedures as agreed upon and supported by the **Sector Skills Unit**, your organisation will be able to certify the experience of individuals in roles covered by the **National Occupational Standards** available on the **Malta Qualifications Database (MQD)**.

Current Sectors

Validation assessments may currently be offered in the following sectors:

- Health and Social Care
- Education Support
- Printing and Digital Media
- Automotive
- Building and Construction
- Information Technology (IT)
- Hair and Beauty

The **MFHEA** has subcontracted several **public and private entities** to carry out the **assessment** required for the **VNFIL** of candidates. This list of Validation Assessment Centre can be found on the following link: https://mfhea.mt/validation/

Guidance on the VNFIL Application

To apply to become a Validation Assessment Centre under the **VNFIL Policy**, please follow the steps outlined here
